## Brittmoore Welcomes Dr. Richards

We are thrilled to introduce you to Dr. Erin Richards who has joined Brittmoore Animal Hospital! She is a wonderful addition to your pet's health care team and will begin seeing patients on May 16.

You may have met Dr. Richards when she worked with us for her 4th year externship. Everyone's experience when she was here was so wonderful that we didn't need to look any further for a new associate. She is a natural match with our philosophy and standards so we made her a permanent member of the team!

Dr. Richards is from Katy, Texas and completed both her undergraduate and veterinary education at Texas A&M University. In 2015, she graduated summa cum laude with a bachelor's degree in Wildlife and Fisheries Sciences. Dr. Richards then earned her Doctorate of Veterinary Medicine in 2019.

She is so excited to return to the Houston area and join the team at Brittmoore Animal Hospital. Her professional interests include client education, feline medicine, internal medicine, and dermatology.

Dr. Richards currently resides in Cypress with her husband, a high school social studies teacher. Together they have two cats, Colonel Sanders and Tater Tot, and they plan to add two dogs to their family in the near future.

In her spare time, Dr. Richards enjoys running, spending time with her family in Katy, and cheering on the Aggies and Astros.

**Please stop in to meet her anytime after May 16, and show her a warm Brittmoore Animal Hospital welcome.**
