

Welcome Back Dr. Wells!

Dr. McKinlea Wells is a 2012 cum laude graduate of Texas A&M College of Veterinary Medicine. She is originally from a small town in North Texas, and graduated in 2008 from Texas A&M University with a Bachelor of Science in Biomedical Science. Dr. Wells is excited to return to Brittmoore after having been away for a couple of years!

Her veterinary interests include canine reproduction, internal medicine (especially endocrinology) and soft tissue surgery. She is a member of TVMA and TAVP (Texas Academy of Veterinary Practitioners), where she receives over 50 hours of continuing education each year. The state mandated minimum is 17 hours.

Dr. Wells is married to her husband, Stephen, a mechanical engineer, and they have two beautiful daughters, Anna and Vera, along with four black and tan mutts - Snickers, Lola, Twix, and Lily. In her spare time, she enjoys spending time with her family, refinishing furniture and other DIY projects around the house, playing piano, and hopes one day to get back into horseback riding!

We are excited to have her join us again after being away. Call to schedule an appointment with Dr. Wells today (713) 468-8253

Sincerely,

The doctors and staff at Brittmoore Animal Hospital
