Freeze Packet

PLEASE FILL OUT THE FOLLOWING FORMS REGARDING YOUR STUD DOG TO
HELP US WITH OUR SEMEN FREEZING PROCEDURES

If the frozen semen owner and the stud dog owner are not the same person,
THE OWNER OF THE SEMEN NEEDS TO FILL OUT THE FREEZE PACKET

1. **Contract for Storage of Frozen Semen** (enclosed) - Please read all pages, complete and sign.
2. **Stud Health History Record** (enclosed) – Please complete both pages
3. **Frozen Semen Collection Statement** (enclosed) - Fill out first page only. (If applicable)
4. **Record of Collection of Ownership** (enclosed) must be signed by ALL co-owners listed on Registration Certificate and designate ONE individual as collection owner. (This individual will be responsible for releasing semen AND all financial obligations to Brittmoore Animal Hospital).
5. **Stud Dog Legacy** (enclosed) – Allows for easy transfer of ownership in case upon death or incapacitation.
6. **Semen Storage and Credit Card Authorization** (enclosed) – yearly storage fees will be billed to the provided listed credit card. (This form is mandatory)
7. **Brucellosis** (enclosed) – Resource handout.

PLEASE SUPPLY US WITH THE FOLLOWING INFORMATION

1. A copy of the registration certificate. Ex: AKC, ADBA, ASCA, etc...
2. A copy of the most recent canine Brucellosis test, (*result must be within the past six (6) months*) and or after last natural breeding. If this has not been done, we will run this test on the day of your freeze appointment.
3. If your dog is micro-chipped, provide a microchip ID number.
(Microchip number is MANDATORY FOR INTERNATIONAL SHIPPING).
4. A copy of your dog's AKC DNA profile (if applicable). If this has not be done, we will do the test on the day of your freeze appointment.

Do you anticipate semen maybe transferred internationally? Yes No

Most semen can NOT be transferred internationally unless extra testing was performed at time of freeze, based upon the country it will be exported to. If choosing to ship internationally you will need to contact a third-party shipper who specializes in international shipments such as Zoetis, Sires on Ice, and Sirius Canine Fertility. They will need to be contacted and arrangements made prior to the freeze appointment.
